

- Prayer - Overcoming Weariness

Heavenly Father, I feel so heavy,
oppressed, weary. Daily life is
draining me: hardships, work, school,
trials.

But Lord, Your grace is sufficient for
me. I cast my burden on You Lord,
for You will sustain me.

And I know that all things work
together for good, for those who are
called to Your purpose.

So, now I lift my head in praise and
thanksgiving. For Your Word heals,
and delivers. In Jesus name, Amen!
