

# Prayer To Stop Looking At My Problems And To Look To God

Heavenly Father, I've struggled so long, focusing on my problems, that I have taken my eyes off you.

Lord, forgive me. I leave my burdens at your feet.

I trust you to bless and provide answers to me.

Show me what I must do, and when. I lift my eyes to the heavens and praise your name for you are Good!

I love you and I thank you, in Jesus name, Amen!
